Wade Flaherty AWARDS comments

Mar. 30th, 2009

He won the Best GK and the Best Saving % GK award.

Thanks to the Asian hockey league for selecting me for these awards..I would also like to thank the China Sharks management, players and staff for their help throughout the season.

It was a honor to play against the other elite players in the Asian hockey league and be part of a program to help develop hockey with SVSE as a player and coach in China.....

Congratulations to the Nippon Paper Cranes on their championship season.
