Tohoku Free Blades join the AL

Apr. 13, 2009

At the Executive Committee meeting held today, the Asia League Ice Hockey came to an agreement to allow the Tohoku Free Blades, recommended by the Japan Ice Hockey Federation, to join the Asia League starting from the season 2009-10.

While this decision is subject to the approval at the AL General Congress to be held in September, we have strongly urged them to make every effort to enhance their competitiveness by adding foreign coaches, players and Asia League experienced players.
